

Office of the Dean

September 13, 2006

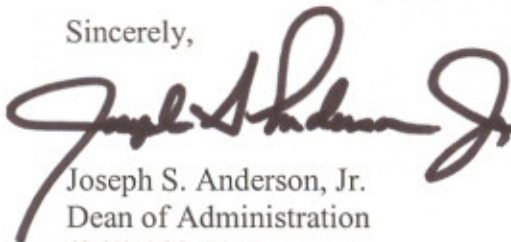

Dear Student,

The "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act" requires that all colleges publish an Annual Safety Report. This report must provide information regarding all college policies, programs and procedures regarding campus security including any crime statistics for the college for the preceding calendar year. This Act also requires that each student and employee of the college receive an individual notification regarding the location and availability of this information.

Accordingly, please be advised that the Three Rivers Community College Annual Report on Campus Safety and Security will be available not later than October 1, 2006 on the college website at www.trcc.commnet.edu/security.htm. Copies will also be available in the college library and posted on all Administrative Services Bulletin Boards. All students and employees are urged to review and become familiar with this information. Any questions about this information or any requests for copies of this report may be referred to my office.

Students are also encouraged to include an up-to-date e-mail address in their banner records. Individuals who provide and maintain these addresses will automatically receive this and other important information from the college throughout the year. Thank you for your assistance.

Sincerely,

Joseph S. Anderson, Jr.

Dean of Administration
